ABOUT AEC

The College of Engineering Aranmula established in 2014 is the 8th Engineering College under the Co-operative Academy of Professional Education. CAPE was formed to establish educational institutions to provide education and training, research and development, and consultancy. The society is promoted by the Co-operation Department of the government of Kerala and is an autonomous society.

The college is affiliated to the APJ Abdul Kalam Technological University. The college offers B-TECH courses under KTU and diploma courses under State Board of Technical Education. We aspire to be a top engineering college, producing competent professionals who engage in life long learning and are motivated by societal ideals. By training students to think conceptually, we educate them to adapt changes in this ever-changing world.

ABOUT DARPAN

DARPAN'23 the annual techno - cultural fest organised by College of Engineering Aranmula, is an exciting event that celebrates the technical expertise and artistic talents of aspiring engineers. The event brings together participants from across the state, making it one of the most prestigious event of its kind'. The two-day mega event is a visual treat for attendees , transporting them to another world with a variety of captivating performances by aspiring engineers and artists. From technical competitions to cultural events DARPAN'23 offers a diverse range of activities that cater to everyone's interests.

Enjoy the cultural events, or simply soak into the vibrant atmosphere, DARPAN has something for everyone. The best of technology and culture presents DARPAN' 23
